Company Overview

Welcome to **Hani Al Elaimi Co.**, a pioneering force in the coatings industry with a legacy dating back to 1988. Headquartered in the vibrant city of Jeddah, our company has been a beacon of excellence, consistently delivering exceptional services to our valued customers. At Hani Al Elaimi Co., we take pride in our commitment to providing cutting-edge solutions, and our staff is meticulously trained to leverage the latest techniques and technology.

Our primary focus is on offering a comprehensive range of coating services designed to deliver enduring protection, unparalleled aesthetic appeal, and tailored maintenance solutions for diverse applications and repairs. Whether it's abrasive blasting, protective coating, intumescent coating, epoxy floor coatings, decorative coatings, concrete repair, or other specialized services, we stand as your go-to partner for all your coating needs.

Our Services

At Hani Al Elaimi Co., we take pride in our comprehensive range of services tailored to meet the diverse needs of our clients in the coating industry. Our expertise encompasses:

Abrasive Blasting: Employing advanced techniques to prepare surfaces for coating, ensuring optimal adhesion and durability.

Industrial Painting: Specializing in steel structure coating, tank coating, pipe coating, and steel building coating for various industrial applications.

STEEL STRUCTURE COATING:

Implementing advanced coatings to safeguard the structural integrity of steel components against corrosion and environmental factors.

TANKS COATING:

Offering specialized coatings for tanks to ensure resistance against corrosive substances, promoting durability and preventing contamination.

PIPE COATING:

Providing durable coatings for pipes to enhance corrosion resistance and maintain the integrity of pipelines in diverse industrial applications.

STEEL BUILDINGS COATING:

Delivering tailored coating solutions to protect and enhance the aesthetics of steel buildings, ensuring longevity and visual appeal.

Fire Protection Coating: Providing specialized solutions such as intumescent, cementitious to enhance structural integrity and safety.

INTUMESCENT COATING:

A cutting-edge fire protection solution that expands when exposed to heat, forming an insulating layer that effectively delays the impact of fire on structural elements.

CEMENTITIOUS COATING:

Providing a fire-resistant coating that relies on a cement-based formulation, offering durable protection against high temperatures and ensuring the longevity of coated surfaces.

Decorative Painting: Infusing artistry and precision to transform spaces, creating visually appealing environments. **Epoxy Floor Coating:** Our skilled team ensures a seamless application, delivering floors that not only resist wear and tear but also enhance the aesthetic appeal of any environment.

Concrete Repair: Addressing structural issues and ensuring the longevity of concrete structures with our expert repair services.
